### **Introduction**

Greetings Brothers,

This was a big month in the Gamma Chi Zeta chapter. Spring rush was a huge success, as our High Deltas introduced a strong group of 12 new Associate Members to our brotherhood. In the Chapter Updates section of the newsletter, I will tell you all a little but more about them. We recently had a Housing Draft to see who all will have the privilege of living in that beautiful new house. Myself as well as 61 other brothers are extremely excited to claim 120 N. Stadium Drive as our home for the year. We also had a slight change in the High Zeta this past month, which I will go over in more detail again in the Chapter Updates. February was a great month, and we are excited for the rest of the year and what we have in store.

### **Chapter Updates**

#### *Zeta Changes*

This past month, we had a slight change in the High Zeta, specifically in the High Alpha position. David Sosna, the previous High Alpha, felt that it was in his best interest as well as the chapter's best interest for him to step down due to personal matters. David represented this chapter well as the High Alpha and continues to represent it exceptionally. Taking his place as High Alpha is Nicholas Beyer. Nick is a sophomore finance major from Springdale, AR. Having stepped into this position only a few weeks ago, Nick has been an incredible addition to the Zeta, and has already implanted positive changes for the chapter.

If you have any questions or comments for Nick; he can be reached at [nrbeyer@email.uark.edu](mailto:nrbeyer@email.uark.edu)

## Spring Rush

Rush came to a close and due to the hard work of the High Deltas, we put together a great spring class. With guys from all over (including New Jersey!) there is a lot of potential from these guys to get involved and make positive impacts for our chapter.
