Introduction

Greetings Brothers,

With the school year coming to a close; we made sure to focus on finished out the school year strong. Not only did we buckle down to study hard for Final tests, we received a couple awards from the university within the chapter, we had an outstanding visit from our Nationals representative, and we tried to have a little fun in between. Although we faced adversity being out of house, we had very successful year as a chapter, and we are eager to reclaim 120 North Stadium Drive as our home once again in the Fall. This will be our last newsletter for the 2015-2016 school year, and I hope everyone has a great summer, and enjoys this great weather.

Chapter Updates

Chapter Awards

- 2016 Greek Life Gives Back Day Award
Greek Life Gives Back Day is a day on campus where all the fraternities and sororities come together to serve our campus and students, as well as our Fayetteville community. We received this award from the university for our exceptional voluntary work to give back to our area.
- Outstanding IFC Delegate Award
Ryan Kidd represents Lambda Chi Alpha on the Interfraternity Council (IFC) and received an award for all the incredible work he has done through that position to not only better Lambda Chi, but also better Greek Life as a whole.
- Razorback Classics Award
The Razorback Classics are the top 11 male or female students graduating from the University of Arkansas. This is the highest award given by the Arkansas Alumni Association, and the students are selected out of 500 applicants. This year, two Lambda Chi's were selected to receive this prestigious award.

- **Daniel Fritsche**, a student of the College of Engineering from Greenwood Arkansas
- **Joshua Anderson**, a student of the J. William Fullbright College of Arts and Sciences from Rogers Arkansas

We are so proud of these two outstanding students and all the work they have done both inside and outside of the classroom. These are two brothers we will continue to look up to as they are an excellent model of what it means to be a Lambda Chi.

Initiation Alumni Involvement

Our Ritualist, Tyler Crosson, has done an incredible job to improve our pre-initiation process to make sure our Associate Members get the most out of their experience. He is looking for a handful of alumni to take an active role in the initiation process of the current associate member class. For date and involvement information email Tyler at tylercrosson12@gmail.com.
